Our free healthy lifestyle programme can support families like yours make healthy habits. Help yourself to our sweet tips below.

1. Create a shopping list for the family, before going shopping.
2. Have a weekly sweet voucher. Your children choose when to "cash in" for a portion of sweets.
3. Use the **NHS Food Scanner** app to help find healthy swaps in the shops.
4. Try having a mix of fresh and dried fruits to help the sweet cravings, i.e. dried mango, bananas.

5. Remember to have dried fruits in small amounts as the sugar is more concentrated.
6. Mix things up and make fruit more fun – try making fruit cocktails, smoothies or ice lollies.
7. Look for healthy sweet treat recipes online. We might be biased but we think beezebodies.com/blog/category/recipes is pretty good!
