Results Day August 2022

Getting your exam results marks the start of a new chapter in your life. Whether your results are better or worse than you expected it's not too late to rethink your plans to make the most of the opportunities available to you.

Talk to people who may be able to offer you help and advice – teachers, parents or carers, friends, relatives, a Services for Young People (SfYP) Personal Adviser, AND find out more about your options.

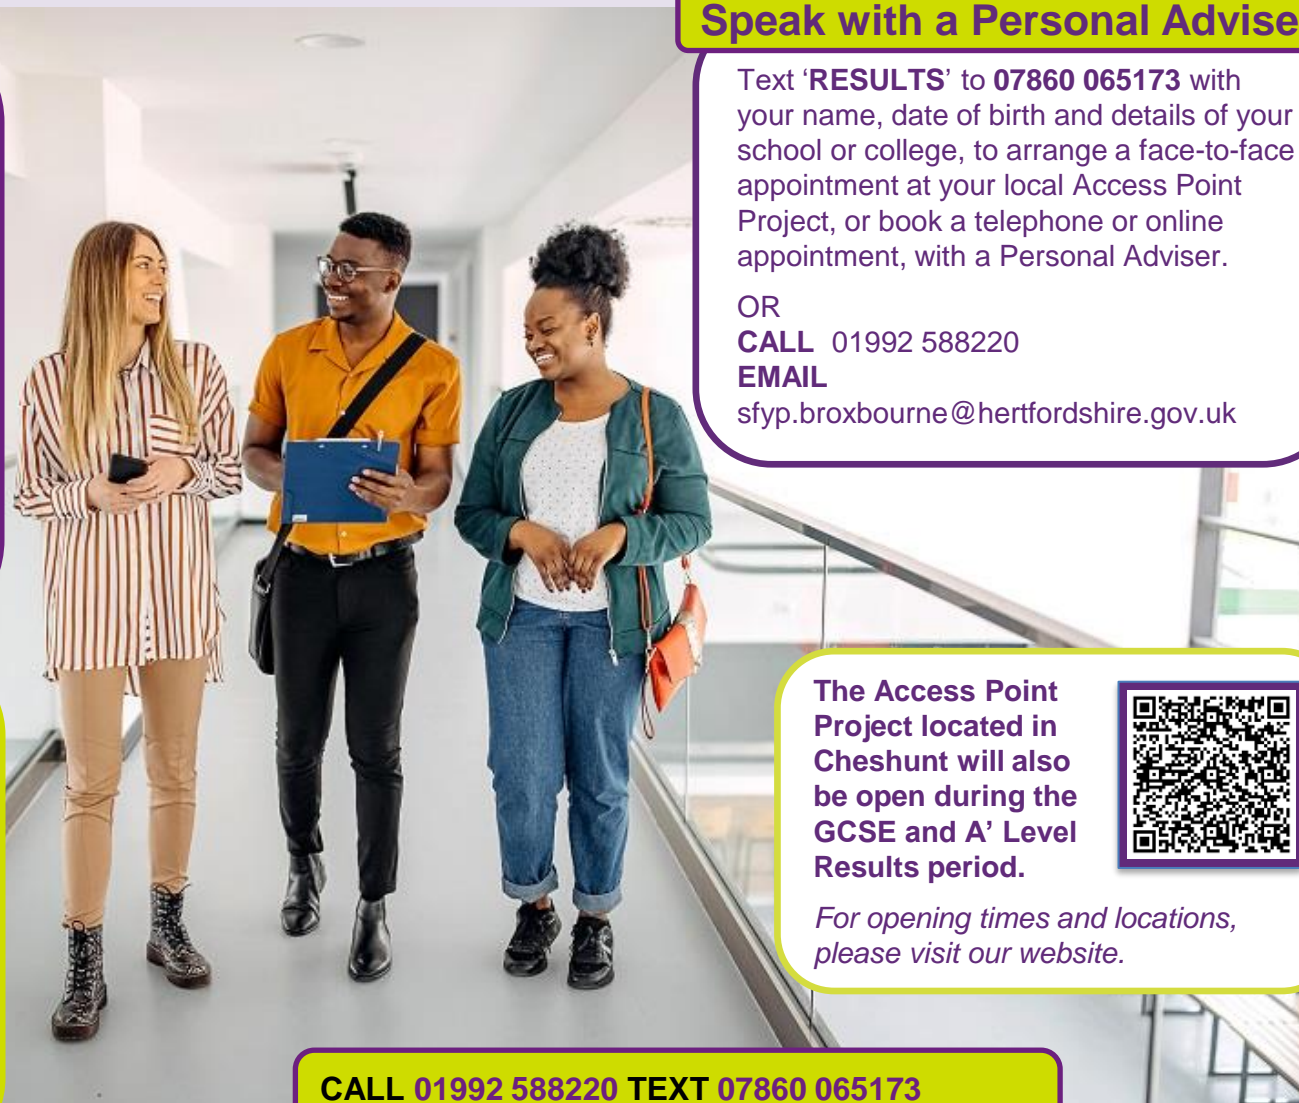

Really think hard about what you would like to do and research! This will give you the best chance of making the right choice for you.

Visit our **website** and the **Jobs and Careers** page to search for:

- Local jobs and apprenticeships
- Local colleges and courses
- Local training providers

And use the internet to find **information** about:

Making plans for your future?

Planning for your future can feel like a challenge and sometimes your long-term goals can suddenly change.

Perhaps you have a place on a college course or an apprenticeship lined up and have realised that it isn't for you, or maybe you have just completed your school education but are struggling to find work or make a decision on what to do next.

Our team of Personal Advisers can support you with researching your options, making decisions and even suggesting new possibilities that you might not have thought of.

Not in education, training or employment?

Through the **Pathways to Success** programme our Personal Advisers can support you on a one-to-one basis to identify your skills and interests, work on your CV, find work experience, practise your interview skills, and boost your employability. Contact us today to find out more!

Where can you get support?

Our qualified Personal Advisers are available for face-to-face, email or virtual support. Some schools and colleges in Broxbourne may have their own Personal Adviser who comes in once a week, but you can make an appointment by email or over the phone if not.

What have other young people said about our careers support?

"SfYP inspired me to go to college and helped me get a place and the support I needed."

"I really enjoyed our sessions, they really helped me with my confidence and to pick the right college course."

"The help I got from SfYP has really helped me with bringing up my confidence and get on a programme I like. Now I feel happier about my future."

"I always felt that I had help and guidance when I needed it. I had somebody looking out for me and keeping me on track."
