

# Male Inclusive Practice

## Are you including fathers and male carers in all your work?

**T**

**Talk** to the important male carers in the child's life

**H**

**Help** fathers navigate barriers and find ways to access services

**I**

**Identify** ways to engage male carers in support packages

**N**

**Navigate** barriers to engagement, consider timings, locations & culture

**K**

**Keep** in touch with male carers as much as you would the female carers
